For additional tuition information, please call the Dominican Campus business office at (615) 383-3230 ext. 530.

Tuition Assistance

Approximately 38% of all St. Cecilia families receive some sort of tuition assistance. The school is committed to providing a substantial tuition assistance program so that **every** family feels they can afford to send their daughter here. There are numerous ways to afford the St. Cecilia difference for your daughter. St. Cecilia Academy offers an array of need-based scholarships and tuition assistance to qualified students. In order for the student to be considered for any scholarship or tuition assistance, the parent must fill out the School and Student Services (SSS) for Financial Aid forms. You can access the SSS Web site at <http://www.nais.org/financialaid/sss> and apply online.

The SSS code for St. Cecilia Academy is 2881. You may easily file online, or a limited number of booklets are available at the St. Cecilia Academy admissions office. The organization will assess your financial information and determine the amount each family can contribute toward tuition.

In addition to submitting the completed tuition assistance forms online or by mail, parents are also required to submit copies of the past two year's tax returns to The Dominican Campus business office by February 15, 2010.

Please note that families receiving financial assistance must re-apply each year through SSS and must also submit tax returns to The Dominican Campus business office.

January 12 – Last date to request tuition assistance forms (as well as application deadline)

February 15 – Tuition assistance forms due to School and Student Service (SSS) and past two years' tax returns due to: The Dominican Campus Business Office
