* New camp this year!

Let your daughter experience a little bit of St. Cecilia Academy this summer!

The Academy has been named to the Top 50 best Catholic high schools in the U.S. list four times since 2004. Seventy-eight percent of the Class of 2009 earned college scholarships totaling \$4.6 million. SCA added two new sports this year and is extending the offerings for summer camp.

St. Cecilia Academy is an all-girls, Catholic college-preparatory high school which provides a unique balance of faith and excellence. Since its founding in 1860, The Dominican Sisters of St. Cecilia Congregation, who are sole owners of the school, have believed that when it comes to providing an excellent academic program and a faithful environment, neither must be sacrificed for the other.
